Rafael,

Please see the attached application and certificate of conformity for the 1660E series wood furnace. Below is the information for the FTP that OMNI set up for the report retrieval. A hard copy of the CBI version of the report has been sent via courier service to you as well. Hope all is well.

Thanks,

Subject: FTP for USSC - 1660 Series - 0215WH080E Reports

Hello Brandon,

I've opened up our FTP space for the EPA to retrieve the reports. Please use the following instructions:

In order for you to upload the documents, copy the address below into the address bar of your Windows Explorer window, for example open "My Documents" and use the address bar at the top. Do NOT use Internet Explorer, Chrome, Firefox, etc.:

You will then be prompted for a user name and password. These are shown below:

You will now have access to the [REDACTED] folder. Please copy the file(s) from your computer and paste the file(s) in our FTP folder. **Reply back via e-mail to let us know when you've finished**, since we do not get any notification that you have accessed the FTP site. This password is temporary, so please transfer as soon as possible.

If you have any issues, feel free to contact us.

Thank you,
